Wits Fund Launches "Give the Gift of Graduation" Campaign

At Wits University in Johannesburg, South Africa, education transforms lives. Every year, thousands of students stand on the threshold of achievement — ready to step into their future.

But for some, the final hurdle is financial.

You can be the reason that they cross that stage.

Your gift unlocks potential, celebrates perseverance, and honors years of dedication.

Be part of their success story.

Give the gift of graduation.

How does the GGG work?

You can help the next generation cross the finish line. And help create a self-sustaining cycle of success at Wits.

Many students complete their degrees but can't graduate because they owe R15,000 or less. Your support expands Wits' last-mile loan fund and every repaid loan supports the next student.

Give once. Change dozens of futures.

Ways to give:

- \$800 one-time

- 8 monthly gifts of \$100
- 16 monthly gifts of \$50
